Dear Governor Blagojevich,

Thank you for your support of the Illinois Homeless Prevention Program. This highly successful program has helped over 35,000 households avoid homelessness with more than 80% remaining stably housed.

The program has been funded at \$5 million for the past three years. In October 2004 we surveyed providers in the state that utilize Homeless Prevention Funds. Eighty-seven percent of providers did not have enough funding to meet the need in their community. The providers that lacked sufficient funding could only serve 35% of households that needed assistance.

We are requesting an allocation of \$10.7 million for the Homeless Prevention Program in your budget for FY'06. This would help more adequately to meet the need for emergency assistance and would also provide important program dollars to providers.

Sincerely,
