Dear Speaker Madigan:

I urge you to allow House Bill 4100 (the Rental Housing Support Program) to move ahead!

- Approximately 370,000 households in Illinois earning less than \$19,000 can't afford their rent
- 77,000 households are on Public Housing waiting lists and 56,400 are on Housing Choice Voucher waiting lists

This bill has strong, bipartisan support in the legislature and should have a fair hearing. Let democracy work!
