PRESENTS

LITURGY AND JUSTICE: THEOLOGY AND PRACTICE

October 23, 2008
St. Charles Pastoral Center
Romeoville, IL
9:00am—3:00pm

Pope Benedict has recently underscored the deep, essential connection between liturgy and justice. This workshop will explore the words and actions of the liturgy to discover how it calls us to a mission of justice. We will also explore how celebration and catechesis can draw on liturgy's power to form in us the attitudes needed to live out that calling.

"Action on behalf of justice and participation in the transformation of the world fully appear to us as a constitutive dimension of the preaching of the Gospel, or, in other words, of the Church's mission for the redemption of the human race..."
Justice in the World, Synod of Bishops, 1971
